11. EMPLOYABILITY

College is inculcating the set of attributes, skills and knowledge in the students so that they are competent of being effective in the workplace – to the benefit of themselves, their employer and the wider economy. College is providing healthy teaching-learning environment for the students. Qualified staff has been recruited by the University complying with UGC guidelines. The quality of education given to the students is unequivocal from the fact that each year almost 15 percent of final year students get admission to the national institutes for higher studies through competitive examinations at national level. Besides this, college is taking necessary efforts to strengthen the education facilities at the institute.

Today's employers are seeking graduates who are enterprising, resourceful and adaptable and possessing a range of skills which can be used in a wide variety of settings as well as in their careers. Keeping this in mind, college is organizing the various extracurricular activities and it is ensured that every student is participating in one or other event. College

Gymkhana unit is especially devoted for achieving this objective and it is organizing various events such as annual social gathering, debate competition, sports competition etc. The students who have performed well at intra-college level are deputed to represent the college at University level. Those who have been selected in the University team represent the University at state and zonal level. These types of activities encourage the students to perform well in a team and improve his competition skills.

Further, college regularly organizes personality development seminars, workshops on stress and time management etc. for improving the various aspects of his personality and to bring positive change in his attitude. Whenever, alumnus visit to the college a special alumnus- student interaction session is organized. Alumnus is requested to give them idea about the working culture in the dairy and food industries and what skills they should acquire for increasing employability. Also, college organizes alumni meet where students are getting good platform to interact with alumni. These meeting have increased the chances of jobs.

Apart from this, college is taking necessary steps to improve the communication, team working, leadership, initiative and problem-solving qualities of students which have resulted in 100 percent of placement of students.
